Summary:

I have over 35 years experience in visual communication, specializing in 2-D and 3-D illustration, graphic design and info-graphics. I am an expert in Adobe Illustrator and KeyShot Studio. As a self-starter, I possess critical decision making and multitasking skills. I pride myself on producing quality work while meeting tight deadlines and staying within budget. I have excellent verbal and written communication skills and value loyalty and integrity.

Education:

School of Visual Arts
BFA, Graphic Design
